How to change the time & date

To change the date on all Samsung Systems, follow the steps below:

1) Put the handset on hook.

2) Dial (press) the following:

TRANSFER

200

1234

1

SPEAKER

505

3) The old date and time is shown at the top of the screen:

WMMDDYY:HHMM

W = Day of the week, e.g. 1 = Monday 7 = Sunday

MM = the Month, e.g. May = 05 November = 11

DD = today's date, e.g. 6th = 06 25th = 25

YY = the Year, e.g. 2008 = 08

HHMM = 24 hour time

4) Repeat the first seven numbers, followed by the new time

The phone will beep to say new date and time is accepted.

5) Dial (press) transfer to save and exit.
